**COMMENTS:**

As we discussed by telephone, in accordance with the Customer Advisory from Technology Center 3700 Applicant is filing this Amendment by facsimile, rather than U.S. Mail. As we also discussed, this Amendment is being sent to fax number 703-872-9303 as stated in that Customer Advisory, rather than to the After Final fax number 703-305-3759 stated in your Official Action of February 25, 2003. It is Applicant's understanding that the original Amendment document bearing the signature of Applicant's attorney need not and should not be filed, since this facsimile filing is preferred. If there is any requirement for submission of the original Amendment document submitted by facsimile herewith, Applicant requests notification as soon as possible.

## COMMENTS:

As we discussed by telephone, we received your faxed amendment to the Technology Transfer Act of 1999 (TTA) filed by facsimile on March 6, 2003. We also discussed this Amendment is being sent to the number 562 595 9319 as stated in the transmittal Advisory rather than to the order that the number 562 595 9319 was stated in your Official Action of February 27, 2003. This Applicant's amendment is not a signed Amendment Amendment because the signature of Applicant's attorney need not be signed since this is a transmittal. If the Applicant's requirements for submission of the original Amendment document submitted by facsimile, the Applicant requests notification as soon as possible.
